# *Westward Ho!*

In September, 1948, Cleveland Lutheran High School became a reality. Forty-eight freshman students enrolled that first historic year. Three teachers led the class. Ten years later the enrollment had increased over ten times the number. The teaching staff numbered twenty-six.

At this point the State of Ohio came into the picture. The state was desirous of building an inner-belt freeway through Cleveland from north to south. Lutheran High stood in its path. The school had to be torn down.

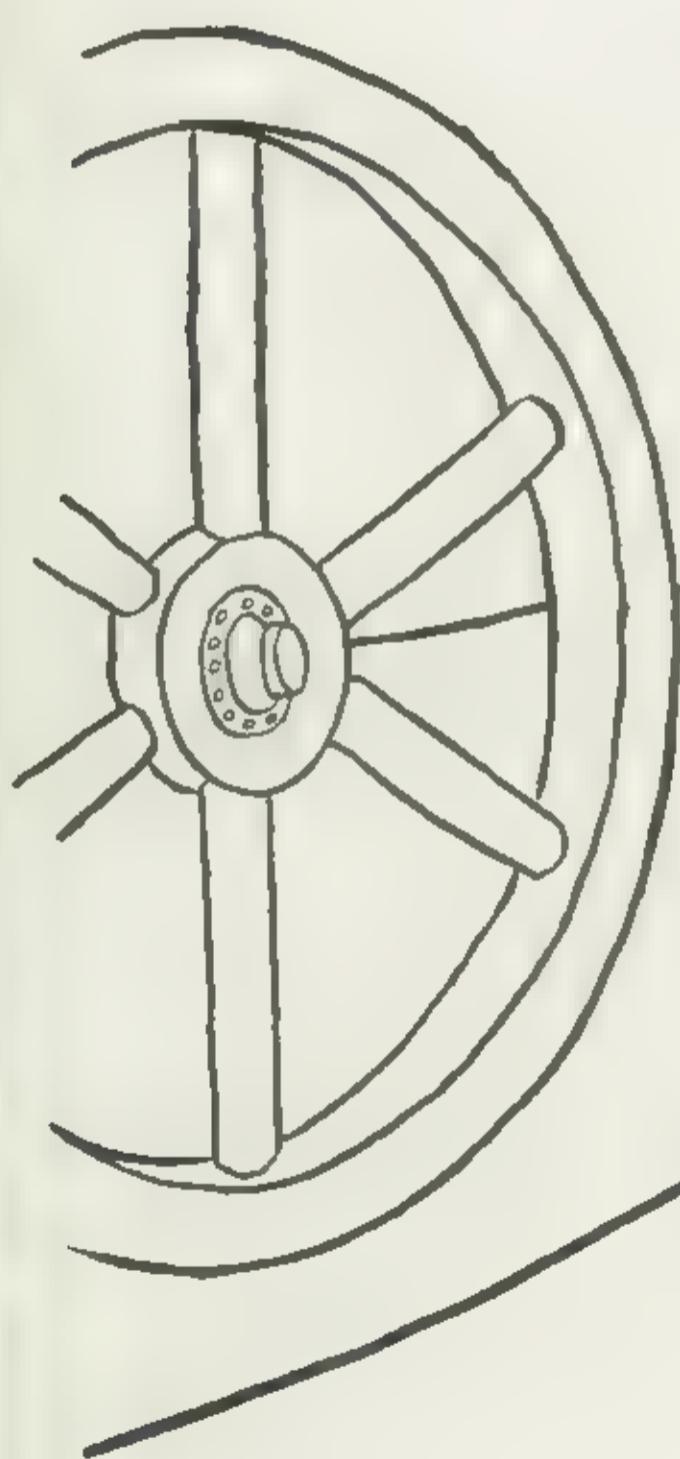

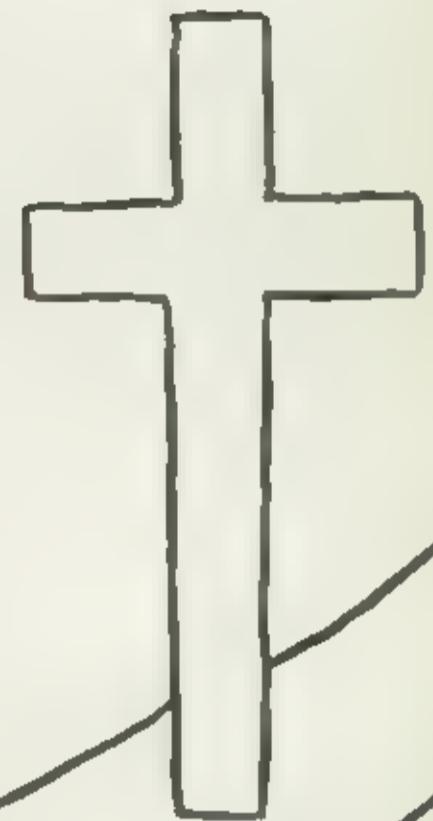

It was now up to the Board of Directors to decide whether Lutheran High should continue as one school in a central location, or whether it should split into two new schools, one on the east side and one on the west. After much debate, it was decided to have two schools.

A campaign was held throughout the Cleveland Lutheran churches to raise money for these projects. The churches met the goal, and definite plans were then begun.

Lutheran High West shows one of the results of that planning. The students and faculty are proud to have such a beautiful edifice.

It is our hope that it will always continue to serve to the glory of God and the welfare of many future generations.

*Administration*

# Superintendent

MR. ERWIN SAGEHORN

Eleven years ago, Mr. Erwin Sagehorn came to Cleveland to start and head Lutheran High School. Then, in 1957, he was promoted to superintendent. He now supervises both Lutheran High West and Lutheran High East.

His duties include the selection and assignment of all school personnel, curriculum construction, budget, the purchasing of needed equipment and supplies, public relations and the supervision of the educational program.

Mr. Sagehorn is a graduate of Concordia College, Seward, Nebraska. From St. Louis University he received his master's degree. He then did graduate work at Washington University in St. Louis. In Cleveland he attended Western Reserve where he completed his course work and examinations for a doctorate.

# Principal

MR. WALTER HARTING

Mr. Walter Harting, the dedicated principal of Lutheran, graduated from Concordia, River Forest. He received a master's degree from the University of Houston. Mr. Harting also did graduate school work at Western Reserve University.

In the fall of 1949 he came to Lutheran High. During his entire stay he has been athletic director. He became assistant principal in 1955, and was named principal in 1957.

Mr. Harting has three children. He is a member of Messiah Lutheran Church.

Students and faculty alike will always think of him very highly. His sense of fairness and willingness to help all are wonderful characteristics. May the Lord bless him richly.

# Faculty

## JON ANDERSON

For ten years, Mr. Jon Anderson has taught at Lutheran High. He received his Bachelor of Science degree at Ohio University, Athens, Ohio. Mr. Anderson teaches Shop I, II, III, and Mechanical Drawing I, II.

Shop enables the student to learn to work with his hands. Lutheran's new shop department provides different kinds of equipment to develop the boys' talents in wood, metal, and plastic.

Mechanical Drawing helps the student gain perspective in architectural drawing.

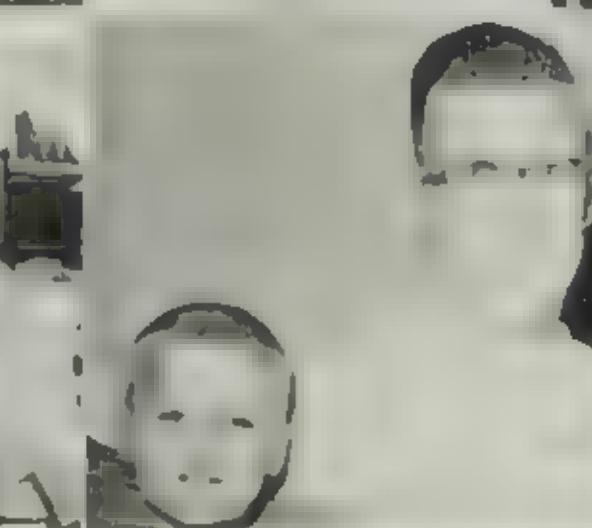

GEORGE BRANDT

Dedication to Lutheran High is seen in Mr. Brandt. He received his Master of Arts degree from Washington University. Mr. Brandt teaches Practical Math, Art I, and English III. He is also our Yearbook advisor.

Math gives the student a background for higher math. An appreciation of the finer things of life is gained by taking art. American Literature is one of the main units contained in English III.

Mr. Brandt spent much time with the Yearbook staff. Under his guidance this book was able to be published. We all express our appreciation for his service.

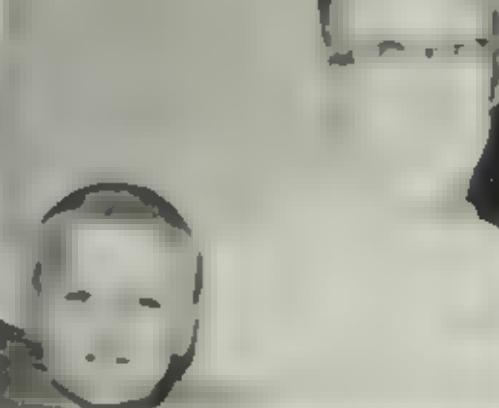

## ARDIS BECKMAN

Our new librarian this year is Miss Beckman. She received her Bachelor of Science degree at Mankato State College. This year she is our school librarian and in charge of study halls. She also has a senior homeroom.

Last summer Miss Beckman worked very hard at planning for the new library. All new books had to be purchased, and this required much work.

After moving into the new school, much time was spent at getting the library ready for use. We are now very proud of our new library and librarian.

RICHARD BRAUN

Mr. Braun has been at our school for the past four years. He attended River Forest and received his Bachelor of Science degree. A Masters degree was received from Denver University. This past year he is also assistant Guidance Director. Head basketball coach is also one of his undertakings.

Speech, grammar, and literature are some of the units in English. Mr. Braun has done a wonderful job at coaching our basketball team. The team and the entire student body are very proud of him.

One of Mr. Braun's most important roles is as advisor of student council. Through this, he comes to know the students and understand them.

CHRISTIAN  
DABERKOW

Teaching religion is one of the duties that Mr. Daberkow has undertaken during his many years here at Lutheran. He received his Master of Sci-

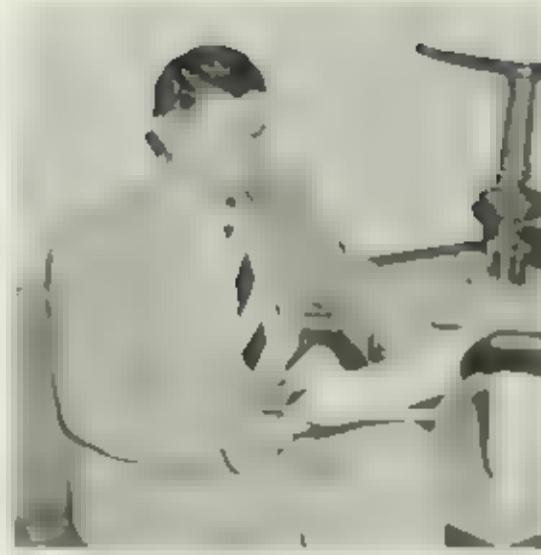

ence degree at Indiana University. He helps students to gain a better understanding of their Bible and the history of their church by rendering his services in teaching Religion I, II, and III.

In addition to teaching religion, Mr. Daberkow makes it possible for students to be able to speak or, at least understand, a foreign language, as he also teaches German I and II.

LOUIS  
ENSWORTH

Mr. Ensworth teaches at both Lutheran East and West. He graduated from St. Bonaventure College receiving a Bachelor of Arts degree.

This is the first year that he has taught at Lutheran. At our school he is teaching typing. Typing is a course which is valuable for both the business major and also for the student preparing for college. Much practice is given to the student so that he will gain both speed and accuracy. Mr. Ensworth has been very faithful, and his students have shown great progress.

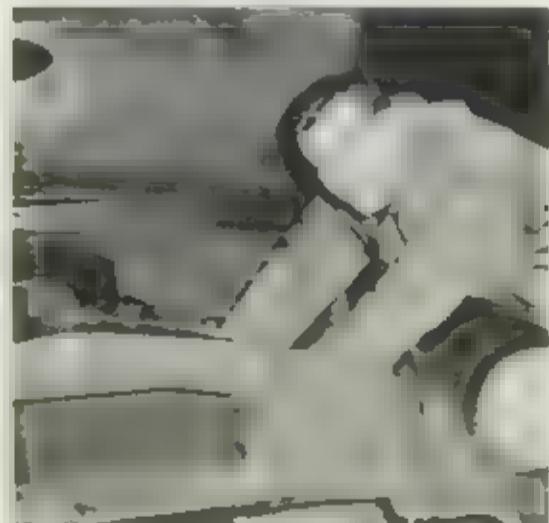

CLARENCE HINZ

One of the hardest working and fun loving teachers is Mr. Hinz. He graduated from Concordia, River Forest, receiving a Bachelor of Science degree. General Science, Biology, and Freshmen Religion are taught by him.

A general look into the broad field of science is the main purpose of General Science. Biology enables the student to learn more about the plant and animal kingdoms. The students

see how fearfully and wonderfully their bodies have been made. Mr. Hinz has also worked very hard with the Code Committee. His senior homeroom has shown much enthusiasm under his leadership.

BARBARA HUEGLER

Commuting from East to West Lutheran is the job of Miss Huegler. She received her Bachelor of Science degree from Pratt Institute. At Columbia University she received a Masters of Arts degree. Miss Huegler is teaching Home Economics at our school.

Sewing, cooking, child care, and interior decorating are some of the units included in this course. Our modern home economics department enables girls to learn to be efficient home-makers. Eight new sewing machines have been purchased. Miss Huegler is truly a wonderful teacher.

JOHN KATT

One of the most talented faculty members is Mr. Katt. He received a Bachelor of Arts degree from Concordia Seminary. He also re-

ceived a Bachelor of Science degree from Kent State U. This year he is teaching Band, Orchestra, and Doctrine.

Our wonderful Band and Orchestra is a result of the hard work of Mr. Katt. He helps the students to develop into real musicians. Each spring a concert is held to display their accomplishments. Much hard work and patience is displayed by Mr. Katt. This is the first year that he is teaching Doctrine. His method of presentation makes learning a real pleasure. He is a very conscientious worker.

ARNOLD LEHMANN

A very good musician is Mr. Lehmann. He received a Bachelor of Arts degree from North Western. A Master's degree was received from Wisconsin U.

He is an instructor in choral music and Latin this year.

Mr. Lehmann works very hard with the freshmen and sophomores preparing them for the choir. In freshmen music, church liturgy, a symphony, and methods of singing are studied. Our Junior-Senior Choir presents a concert each spring. Latin Banquet held every year helps the student to learn about Roman culture.

## Faculty

the business world. Mr. Lorko also teaches Driver Education. This year we have new typewriters. Mr. Lorko has well planned courses which help the students develop their talents.

RUTH MALTE

One of our most friendly and helpful teachers is Miss Malte. She received her Bachelor of Science degree from Allegheny College in Penn. This year she has been teaching freshmen and sophomore English.

Continuing the study of grammar is included in her English classes. In the freshmen year the students read Ivanhoe. During the sophomore year Silas Marner is one of the books which is read.

Units in writing and speech are also included in the course. Miss Malte presents the materials in a very interesting manner. A good solid foundation in English is necessary.

Our varsity football team played very hard this past season. We didn't have our own football field, but this did not stop our big team. They plowed out their own field on land owned by the Haputa family. Our team practiced very hard and showed real fight in the games. The team was a very new one with few players from former years. Thanks is extended to Mr. Seavers for his fine coaching job.

Pre-Homecoming Assembly

## Homecoming

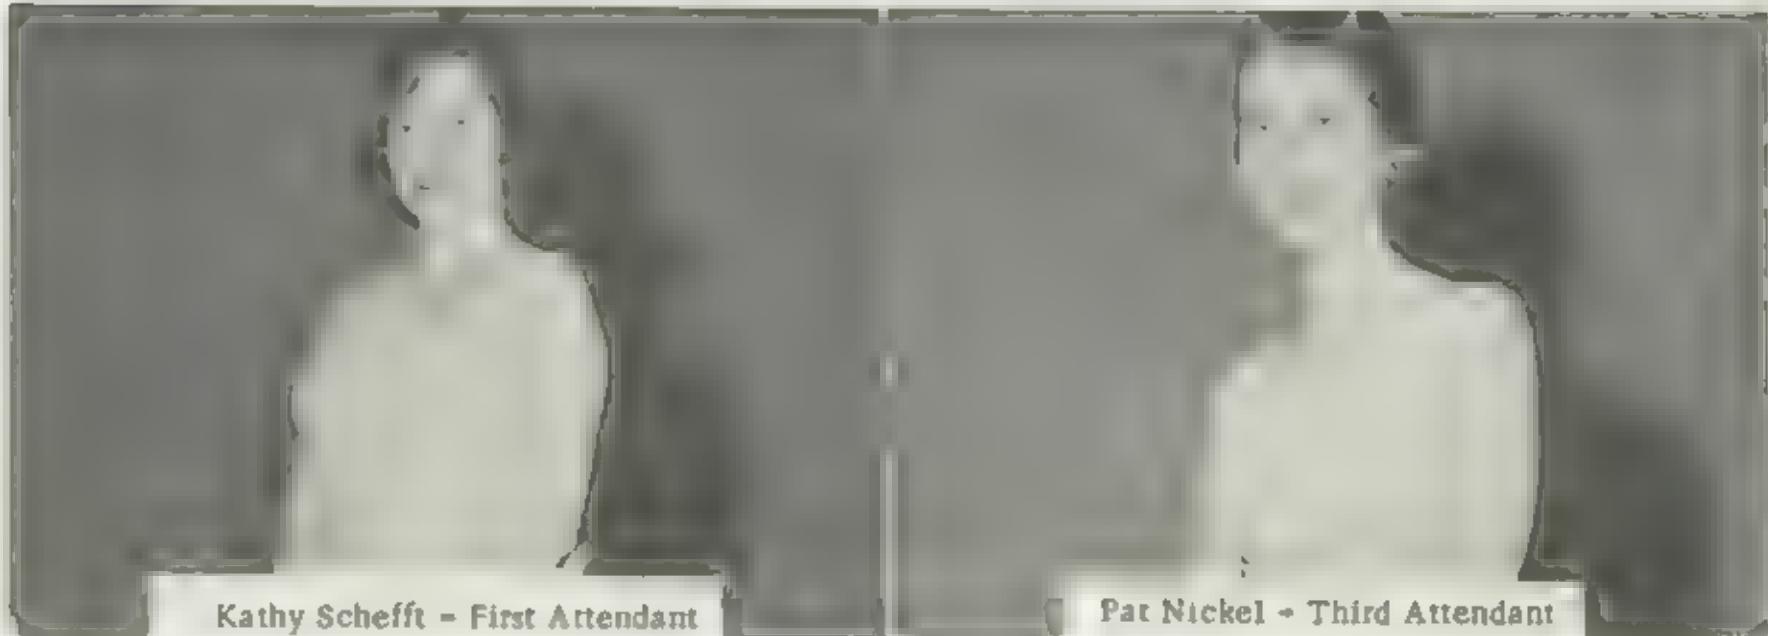

Homecoming is a very exciting period for us. Many float building parties were held in preparation for the big day. Our pep band practiced marching each night after school. Student Council was very busy arranging the reception and numerous details. An assembly was held which added more spirit to our work. Homecoming is something very special to the seniors, for it is their last.

Becky crowns Queen Jeanette.

Lutheran High West Marching Band

Another turn in the westward trek occurred when Roger Osterland, Student Council Vice President, announced at the pre-homecoming assembly the names of the four girls who had the honor of attending the queen. They were: Jane Luekens, Pat Nickel, Janet Jagusch and Kathy Schefft. Finally, Roger announced Jeanette Bender as the first homecoming queen of LHSW.

The marching band, playing at Fairview High field, prepared all spectators for the appearance of Jeanette and her attendants.

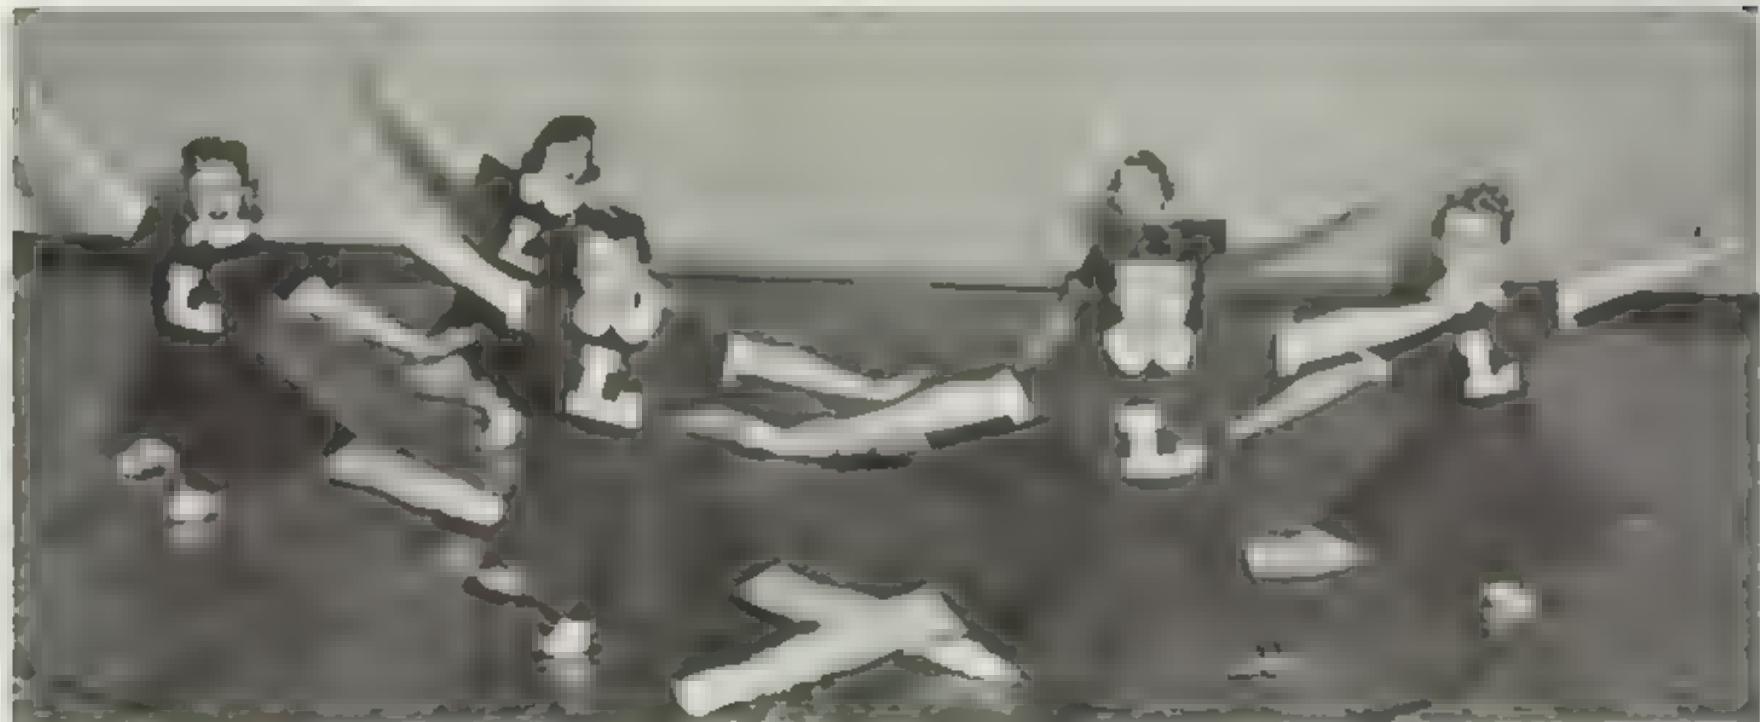

Arriving in the first convertible were third attendant Pat, escorted by Steve Kostelny, and fourth attendant Jane, escorted by Ken Braatz. Then followed second attendant Janet, escorted by Bob Schuster, and first attendant Kathy, escorted by Glenn Miekle.

Becky Ulen, homecoming queen of '57-'58, came back to crown the new queen. Her escort was Al Jahnke.

All stood in awe of Lutheran High's sweetheart, sitting on her throne in the senior class float.

After the crowning ceremony, all five girls were placed on the senior float to view their domain.

# Varsity Cheerleaders

"We are the Longhorns."

Congratulations to our varsity cheerleaders who have added much enthusiasm to the football and basketball games. Elected each year at a special cheerleading assembly, these girls showed much ability and enthusiasm. We are proud of the fine job these girls have done in the past season.

Our junior varsity cheerleaders were elected at the beginning of this year by a special committee of students and faculty members. The four girls elected have added a lot of pep to the games. Many new cheers were also introduced by them. We are looking forward to seeing many of them cheering again next year.

This year Lutheran High was very happy to attend basketball games which were coached by Mr. Braun. The team was very excellent in that they displayed fine sportsmanship and a good deal of knowledge of basketball skills and experience. Mr. Braun helped the boys on to a great many victories with his wise decisions and his calm overview on the prevailing situations. It seems that the "Big Five" pulled the guys through quite a lot. Everyone played hard and well. We must highly commend these boys for their fine display. In addition to that, we must sincerely thank and duly appreciate the work, thought and the skill that our fine coach put into the spirit of our fine team. We thank you one and all from the bottom of our hearts.

# Boys' Spring Athletics

## Track

In the spring of the year our thoughts are turned again to track. This was the first time we had our own track, which made it very convenient. Our school participated in numerous track meets during the spring. More interest than in any other year was seen in track. Sports at Lutheran moved onward.

Bottom Row, Left to Right: D. Bloser, G. Halter, D. Cunningham, J. Osborn.

## Baseball

Baseball season once again is upon us. Our coach for this sport is Mr. Urbach. This is his second year as baseball coach. Our team is very fortunate in having many of the players from previous years return again to play. Lutheran West has excellent facilities for outdoor sports. This was the first year we could play baseball at our own school. More interest was shown for this reason. The athletic program this past year showed great improvements.

# Girls' Varsity Basketball

Lutheran West also has a girls' varsity basketball team. Tryouts were held in the month of January. Twelve girls were chosen to be on the team on the basis of ability. These girls hold practice after intramural games. The coach for this team is Miss Schairer. They played their first game against past graduates of Lutheran High. The purpose of a girls' varsity team is to stimulate interest in sports for girls. G.A.A. helps to promote this team. Playing against other schools also helps in public relations. These girls showed a real western fight in their playing.

Our choir works very hard during the year preparing for numerous programs. The first appearance of our choir was singing at a teachers' convention. Our choir also sang numerous selections at the Christmas assembly which many parents and past graduates attended. Singing in chapel during the school year was also one of their ways to glorify God. Preparing for the spring concert is their major task. The place of the concert this year was Messiah Lutheran Church. Our choir was also honored by being asked to participate in the opera sing. We all express our gratitude to Mr. Lehmann for the fine job he did with the choir.

All freshmen not in either band or orchestra are required to take this course. The purpose of freshmen music is to give the student information in various fields of music. The student is trained how to sing properly. Units in the study of church liturgy and the instruments of the orchestra are included. Each year a symphony is studied so that the student is exposed to good music. Freshmen music is the first step in training for the day when they will be in our junior-senior choir. This year there is a separate class for freshmen boys and one for girls. It is easier to train the different voices with this arrangement. Our freshmen sang in the Christmas assembly and did a fine job. Mr. Lehmann is also the head of this group.

## Accordionists Duet

Tom Luekens, Al Ginter.

Music from musicals, marches and many other arrangements, blares from the trumpets, shrills from the flutes, booms from the drums combines into a harmonious unit under the directing management of Mr. John Katt to produce the quality of sounds heard at concerts given by the A band. These musicians, mostly upper-classmen, have reached the height of instrumental achievement at Lutheran, having advanced through B band, into the more difficult group.

The band uniforms are cream colored with red trim. Purchased two years ago, they present an attractive appearance.

Mr. Katt has directed the band since its origin.

Orchestra is the musical group that strives for tone quality and accuracy. When Lutheran High split into two schools, many members went to Lutheran East. Even with this deficit, the orchestra totals thirty. The main function of orchestra comes at Christmas. First, the orchestra traveled to Metropolitan Hospital where it played hymns and musical arrangements for the patients of the tuberculosis ward. At the Christmas assembly, the orchestra also participated. Every spring, this group combines with A band to give a spring concert. Proceeds from this concert help to equip the bands and orchestra.

## *Senior Play* *Bull In A* *China Shop*

On November 14 and 15, the Senior Class held its play, "Bull in a China Shop," at Messiah Lutheran Church.

This was Miss Temme's first year of play direction at Lutheran. Under her guidance, comedy and suspense combined to make the play a big success. Mike Kmetz, as Detective O'Finn, headed the cast. Karen Von Fange, the domineering landlady, Hildegard, also put on a fine performance. Ken Braatz as Sergeant Kramer, portrayed rash methods of joshing O'Finn. Don Hurd and Ken Brownlee had their share of work as stretcher bearers who always made some wise comment. Donna Lund, who played Elizabeth, was the first to die. Carol Maruna, Nettie, soon followed her, while Carolyn Hembly, as Jane Rogers, continued to make a play for O'Finn. Jeanette Bender, Birdie, was constantly swooning. Lucy and Amantha (Ellen Sinnema and Sue Smyth) strongly admonished her. Ron Maas did not make much of a hit with the ladies as he took finger prints. It was hard work for each one of those who was connected with the play. Congratulations!

The Yearbook Staff takes pride in giving this book as a remembrance of this year at LHSW. They have worked hard and long, but know it was well worth while.

The staff for the yearbook is picked in the latter part of the previous year. Mr. Brandt as advisor, has worked in this capacity for seven years.

Busy little beavers--Aren't they? Or are they faking it out? Bet they posed just for the picture!

This is the school paper of Lutheran West. Mr. Hinz submitted the name for the paper. The advisor of the group is Miss Temme. Our journalism class publishes the paper, which comes out monthly. The purpose of the paper is to acquaint the student with the happenings of the school. There are stories which are of a very serious nature, and there are also stories which are for amusement. Editorials and sports are a favorite with the students. We thank the staff for the fine job they have done on the paper this past year.

This is what we call a real typist at work. Wouldn't you?

## Student Court

Student Court is a new group at our school. Student control came into being this past year. Seniors and student council members are in charge of the program. In the Bible we are told to be our brother's keeper. With this thought in mind, student control began. If our fellow student acts contrary to the rules, it is up to us to talk to him. White slips are given to the offenders, and this court hears the case. They council with the person, all in the spirit of helping him lead a Godly life.

Council Officers-Top Row: Treas. J. Single, V. Pres. R. Osterland. Bottom Row: Sec'y J. Luekens, Advisor Mr. Braun, Pres. P. Nickel.

Keeping the student body happy and well informed about the school is the purpose of the student council. They achieve their purpose by working together in planning assemblies, improving conditions at school, and working with the faculty to help make Lutheran West a more closely knit unit.

Officers are elected by the entire student body each May. The constitution, drafted during the summer of '58, makes provisions for council members and their duties.

# WEST

A lot of people came to see the momentous ground breaking of Lutheran High West.

Lutheran High West started classes in September at St. Peter & Paul Church. We waited patiently to move into our new school. The quarters at St. Peter & Paul were a little small, but classes ran quite smoothly. After the first six weeks, we moved into our beautiful new school on Linden Road. The wonderful, modern facilities surely were appreciated. Our own student lounge became a very popular place for meetings. A well equipped home economics lab and also a new science lab made learning much easier. In November our gymnasium was completed. November 20, 1958 was a big day in our lives. This was the day Lutheran High West was dedicated. Over two thousand people were present at this historical occasion. The workmen were soon gone from the school and everything settled down. Our large gym helped our sports program a great deal. Each day we assemble in the gym for chapel devotions. This is one of the high points in our day for we have a chance to talk to our God. This wonderful new building has given our students a blessing for which we should be thankful. May we each thank our God and all of the people who have made this school possible.

Lutheran West is dedicated.

## Pep Song

Stand up and give a cheer for Lutheran,  
Loud and louder yet!  
So no one will forget  
That once the Longhorns take the lead,  
There's simply nothing that can stop  
The Red and White STAMPEDE!  
And with a charge that sounds like thunder,  
They will let the whole world see  
The kind o' go, the kind o' fight,  
That's sure to lead the Red and White  
To VICTORY!

Red and White, fight, fight!  
Red and White, fight, fight!  
Who fight? We fight!  
Red and White, fight! Fight! FIGHT!!

Mr. Katt has composed both our pep song and Alma Mater. He had also composed our former pep song of Lutheran High. The students of Lutheran West waited for the day when our new pep song would be introduced. Many hours were spent by Mr. Katt writing the words and also the music. The reaction the students had to the song was "tremendous." Last year it was decided that the Alma Mater of Lutheran East and West would remain the same. Only one line of the words had to be changed. Mr. Katt composed the Alma Mater as a prayer to God. We ask the Lord to guide and direct our lives. Sincere thanks is expressed to Mr. Katt for composing these songs.

## *Alma Mater*

WRITTEN BY MR. KATT

O Savior, bless our Lutheran High  
Look down on her with watchful eye.  
O make her strong, increase her fame  
That all may glorify Thy name.  
And may her sons and daughters ever be  
Loyal to her and faithful unto Thee.  
O hear us as to Thee we cry,  
Savior, bless our Lutheran High.

Dear Lutheran! 'Tis for her this day  
Our Alma Mater - that we pray,  
Direct her in her chosen role,  
Protect her, guide her toward her goal,  
Here may Thy Word refresh our souls each day,  
Here may Thy love live in our hearts alway.  
To her forever be Thou nigh,  
Savior, bless our Lutheran High.

Sing along with me.
